U1. Preamble

- U1.1. Following a successful trial event at Bisley in 2003, ICFRA Council determined to conduct World Championships for young marksmen. They are designated "Age-Group" Matches in the Match Conditions which follow, which apply equally to any and all such matches conducted at the meeting.
- U1.2. By decision of the World Championship Committee in 2007, the Age-Group Matches will be offered for Under-21 and Under-25 age groups. Matches for Under-19s may be offered in addition or as an alternative to either of the foregoing at host nation discretion, subject to demand and subject to World Championship Committee approval in the case of substitution. Such Matches will be shot under the same rules.

U2. Governance

- U2.1. The governance of these championships is vested in the Council of the International Confederation of Fullbore Rifle Associations (ICFRA), which delegates to its World Championships Committee (WCC - "The Committee") full responsibility for the rules and conduct of these World Championships.
- U2.2. The Referee designated for the Veterans Team World Championship under Rule V2.2 will act for the Age Group Team Championships also. The designated Referee will also officiate a separate Age Group Team Championship held on a day not in conjunction with the Veterans Team World Championships, if held, as defined in rule U3.6. Host Nation management and disciplinary procedures will be used in respect of the Individual Match.
- U2.3. The Match Committee designated for the Palma Match will act as Match Committee for the Team Match.
- U2.4. Except as may be laid out in these Match Conditions, ICFRA TR Technical Rules and World Championship Management Rules will apply.
